Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

An Examiner proposed Examiners Amendment was proposed to amend claim 1 by inserting the language "and adapted to provide parallel flow of plural fluids in at least one channel" after "well plate" in line 5 of the claim, so as to distinguish over Pfost et al '690 of record and all over prior art. However, applicant's representative requested that an Office Action regarding claim 1 in its form as amended on April 24, 2003 first be made of record.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
